

THE KILPECK INN

As I'm sure you're aware, under current government guidance all pubs and restaurants remain closed until further notice. However, in this time of national crisis we are keen to support our local community in whatever ways we can. We are therefore launching a new grocery delivery service, allowing you to have the essentials you need delivered daily to your doorstep free of charge.

Here's how it works:

Call us on 01981 570464 to place your order. You need to place your order by 10am for the following day's delivery (Orders for Monday delivery must be placed by 10am the previous Friday)

We're operating a skeleton staff, so if no-one is available to answer your call leave your name and phone number on the answerphone and we'll call you back. Alternatively you can send an email to enquiries@kilpeckinn.com and we'll call you to confirm your order and take payment.

We'll take payment by card over the phone and will deliver your order the following day. We can't guarantee a delivery time at this stage, but we're hoping to be able to make all deliveries by early afternoon, depending on the volume of orders. We'll leave your delivery on your doorstep and call you to let you know when they've been delivered.

We will be making deliveries Monday-Friday to the Kilpeck area (within a 2 mile radius of the Inn). If you live further afield, you can collect your grocery box from the Inn (we'll leave them under the porch by the front door and call you when they're ready).

If you would like any products that are not on this list please let us know and we will try our best to source them for you. If you would like to be kept up to date with updates on this service please send an email to enquiries@kilpeckinn.com
