KEEPING YOU SAFE

Welcome back to the Kilpeck Inn

We have given a lot of thought on how best to reopen, making sure we keep everyone as safe as possible while making the experience feel as normal, relaxed and welcoming as you would expect

We have removed some tables in order to give more space between tables and all guests will be seated on arrival to avoid gathering at the bar. Hand sanitiser is available at the entrance and staff will always wear face masks

You can either 'sign in' with the NHS track and trace app using the QR code in the front porch or at the bar, or you can give us your contact details which will be safely stored for 21 days

It's always best to book in advance but we will always accommodate 'walk ins' when we can
